

We started with a simple dream to give every woman in Kanpur a truly luxurious and soothing experience.

On 14th of feb as we are complete *10 beautiful years*, and it still feels unreal. What began as a women only space has now grown into a premium unisex salon, and we are happy to share that our homegrown brand **tich** is now serving more than **5k+ customers** every month. None of this would have been possible without *you* who stayed with us through the journey.

This gift box is our small way of saying thank you for being a part of our story. Your loyalty has helped us grow, your feedback has made us better, and your love has kept us going, especially on the hard days. We truly don't take it for granted.

To celebrate our anniversary with you, we would also love to give you a lifetime **10% discount on all services** when you purchase our membership card just at Rs. 1000 (Terms & Conditions apply.)

From the bottom of our hearts, thank you for trusting us for 10 years. Here's to many more smiles, transformations, and moments together.
